# Frequently Asked Questions

## How long do the parties last and how many Party Hosts are needed?

For children aged between 4 - 6 years, the parties run for 2 hours. We can accommodate up to 15 children with one Party Host and up to 25 with additional party staff. For ages 7 - 10 our parties run for 2 hours and we can accommodate up to 20 children with one Party Host and up to 30 with additional party staff. There is a break during the party for parents to provide food, drink and birthday cake! Our Party Hosts will arrive at the venue at least 30 minutes prior to the party to set up.

Murder Mystery Parties run for 2 hours and 30 minutes and the entertainment is set around a 3 course meal.

## Where can I have a Stage School Party?

Stage School Parties come to you, either at your home or at a venue that you have hired. We recommend a clear space of at least 10 x 10 (about 20ft) without obstacles or hazards. If the party is being held at home, any ornaments or breakable objects should be put out of reach. Stage School Parties can also be run outside, weather permitting.

## How much does a Stage School Party Cost?

Our parties start at \$300 for the regular number of guests. Additional party hosts may be hired for \$75. To book a party you will need to pay a non-refundable deposit of \$50. The balance payment will due nearer the date of the party.

## Do we provide Party Bags?

If required we can provide our Party Goody Bags based on your chosen theme at a cost of \$5 per bag. Each bag contains 5—7 small toys or fun items. We do not put candy or food items in our party bags.

## Can parents watch the party?

We strongly advise that parents and friends do not remain in the same room during the party. As well as being a distraction, the presence of multiple adults may also inhibit the children and therefore they will become more reluctant to join in.

However, parents are invited to watch and take part in the last 10 minutes of the party during which the children will show some of the party activities.

Stage School staff are the entertainers for this event. The organizer of the party is responsible for the well being of all the children attending, therefore we do ask that one adult be on hand in the party room at all times.

## Can younger or older children join in?

Stage School Parties are designed for a specific age-range and are therefore not suitable for much younger or older children. Please arrange to entertain other children elsewhere.

It may be possible for siblings to take part during the party games depending on the age-group, but this **must** be discussed at the time of your booking.

## How do I know that the Party Host will be good?

Our Party Hosts are our most experienced Stage School teachers and highly skilled at involving all children in their activities. They have all been in-house trained and have been checked for suitability to work with children. All our Party Hosts will be extremely knowledgeable about all the themes, games and activities. Please follow their advice wherever possible.

## What happens after I have paid my deposit and made a booking?

We will send you a letter confirming all details including the name of your Party Host and themed invitations to send out to your guests. A few days before the party, your Party Host will call you to find out about your child and go through all the details.
